The Irish Holocaust of 1845-52 was premeditated. Ireland's plentiful food, enough to feed over 12 million per year, was removed at gunpoint. Private census data show a death-toll of somewhere between 5 and 6 million. The Irish Holocaust of 1853-1910 had a minor death-toll; it was much more by expulsion than by extermination.

Because of Britain's genocide and expulsion operations of 1845-1910, a Western European nation more populous than Britain does not exist today. Today's Diaspora of 95 million Irish worldwide stems mostly from the Irish Holocaust of 1853-1910, and it may be the only group to truly merit the title "Exsules Filii Hevae" (poor banished children of Eve) from the "Salve Regina".

The two Irish Holocausts of 1845-1910 were textbook examples of genocide by Talmudists and Kabbalists and in the iniquitous name of Malthusianism. The REAL reason why they happened was because the oligarchy did not wish to share power with Irish-speaking Catholics, whose population of 12.5 million in 1846 was growing at 1.63 percent per year, and projected to reach 42.7 million by circa 1921, when there were 42.8 million British (English, Welsh, and Scots). Essentially, Ireland was a nation that was never really permitted to exist. The other three diabolical entities (the English monarchy, the Freemasonic British Army, and Talmudic-Kabbalistic Anglicanism) had already spent whole centuries assailing the Irish with the Four Talmudic E's.

The only difference between the COVID-PHARMA GENOCIDE and the two Irish Holocausts of 1845-1910 was that the British Regime had now decided to do the same to British slaves as it had already done to Irish slaves for 750 years. John O'Looney witnessed British puppetician Graham Brady confirming that this is now "government policy".

BACKGROUND

The O'Neill Dynasty held out until Hugh "the Great" O'Neill (Aodh Mór Ó Néill) was forced to submit to the English monarchy on 30 March 1603, six days after the death of Elizabeth I and after he had withstood for nine years. The O'Neill Dynasty had given Ireland 43 of its grand total of 50 High Kings. It maintained military

O'Neill

alliances with Spain and Scotland, and led the powerful Irish Confederacy. The 1603 defeat of the Royal O'Neill left Ireland completely defenseless. The Gaelic Nobility was dispossessed and enslaved; then, Ireland suffered 300 years of genocide.

But the British started planning the very worst for the Irish by the mid-nineteenth century. Ireland was assailed by these FOUR DIABOLICAL ENTITIES and did not stand a chance (often wishing the Royal O'Neill to return):

#1 THE MALTHUSIAN BRITISH REGIME

The Diabolical, Malthusian British Regime was well-aware of the following ice-cold, or rock-hard, facts:

1. Its censuses traditionally undercounted the Irish by about 35-40 percent, mainly because Irish Catholics (and Presbyterians) were obliged by "law" to pay tithes to the "established" Anglican church. 96 percent of the Irish were either Catholic or Presbyterian but were obliged to tithe to Talmudic Anglicanism, an outrageous plunder that lasted 313 years, having become "law" in 1558 and later very tardily repealed in 1869, taking effect on 1 Jan 1871. The plunder made Anglicanism filthy rich. Irish Catholics and Presbyterians who did not

wish to tithe to the Talmudic Anglican Slavers just did not wish any census to count them. Among very MANY others, this was by far the leading reason why all British censuses undercounted the Irish by over one-third.

2. The Irish population in 1846 (when the genocide began in earnest) was almost certainly 12.5 million.

3. The Irish and British populations had VERY disparate growth-rates, which the Malthusians naturally classed as "unsustainable". In 1962, in "The Great Hunger: Ireland: 1845-1849", British historian Cecil Woodham-Smith gave the British Regime's official increase in Ireland's population for the period from 1779 until 1841 as 172 percent, which translates to an annual population growth-rate of 1.63 percent. In stark contrast, the 18.5 million British (English, Scottish, and Welsh) in 1841 grew to 42.8 million in 1921, which implies a much lower British annual growth-rate of 1.05 percent, although Britain was also enduring industry-related immigration.

4. But the Malthusians extrapolated that, without any DRASTIC INTERVENTION, the 12.5 million Irish in 1846 would grow at the annual rate of 1.63 percent to 42.7 million by circa 1921 (when there were 42.8 million English, Welsh, Scots). Much worse, they absolutely BALKED at the prospect that Ireland's populace would almost-certainly overtake Britain's soon after 1921 (barring RADICAL intervention).

5. If Britain's Malthusians had not encroached,

Ireland's birth-rate meant its population would certainly have exceeded Britain's by the 1920s. But since the British Elites did not wish to share power with Irish-speaking Catholics, they urgently needed some pretext or device to help them genocide the Irish, but also to cover this up. The oldest British Modus Operandi has always been not just murder, but murder AND cover-up.

6. So, when a potato-blight presented itself in Northwest Europe in late 1845, the Malthusians welcomed it as a godsend from their deuteronomic avatar. But Malthusian Nassau William Senior warned the British Regime that this "would not kill more than one million people and that would scarcely be enough to do any good". He was alerting his fellow Malthusians that they would need a very diabolical plan to make the genocide "work".

7. The British Regime's internal memos were full of phrases like "Irish cabin boys", "breeding like rabbits" etc.

#2 THE TALMUDIC ANGLICAN SLAVERS

In 1558, Elizabeth I's new Talmudic Anglican church invented two bogus identities whereby the "righteous" British "Israelites" had the "sacred" deuteronomic "mission" to genocide the "idolatrous" Irish "Canaanites". Today, the Anglican church is still Talmudic and still steeped in the "British Israel" Psychopathy. The "Holy" Reformation in Ireland involved halving Ireland's

populace under Elizabeth I (from 1.5 million) and Cromwell (from 1.8 million), and genociding 190,000 Irish under James VI & I during the Plantations of Ulster and West Leinster in 1606-21.

The "Holy" Reformation left England under Talmudic Anglicanism, which afforded Irish Catholics only those four infamous options called the Four Talmudic E's: Extermination, Expulsion, Expropriation, or Enslavement.

The "Holy" Reformation in Ireland was the very "opposite" compared to the Continent, where ALL citizens were given the option to convert to any vanquisher's faith. But the "British Israel" Psychopathy dictated the Irish must be put to the sword and thus given no such option. In all of history, Anglicanism sent not one single "High Church Mission" to Ireland since it defined the Irish as subhuman "Canaanites" who must not be converted since that would be a waste of time, money, and effort, but instead who must literally be subjected to "holy" extermination.

For many reasons, the only way to REALLY understand the Irish Holocaust of 1845-52, or indeed all Ten Irish Holocausts, is to recognize that the Talmudic Anglican Slavers were literally carrying out Deuteronomy 28:49-51:

"The Lord will bring a nation against you from far away, from the ends of the Earth, like an eagle swooping down, a nation whose language you will not understand, a fierce-looking nation without respect for the old or pity for the young. They will devour the young of your

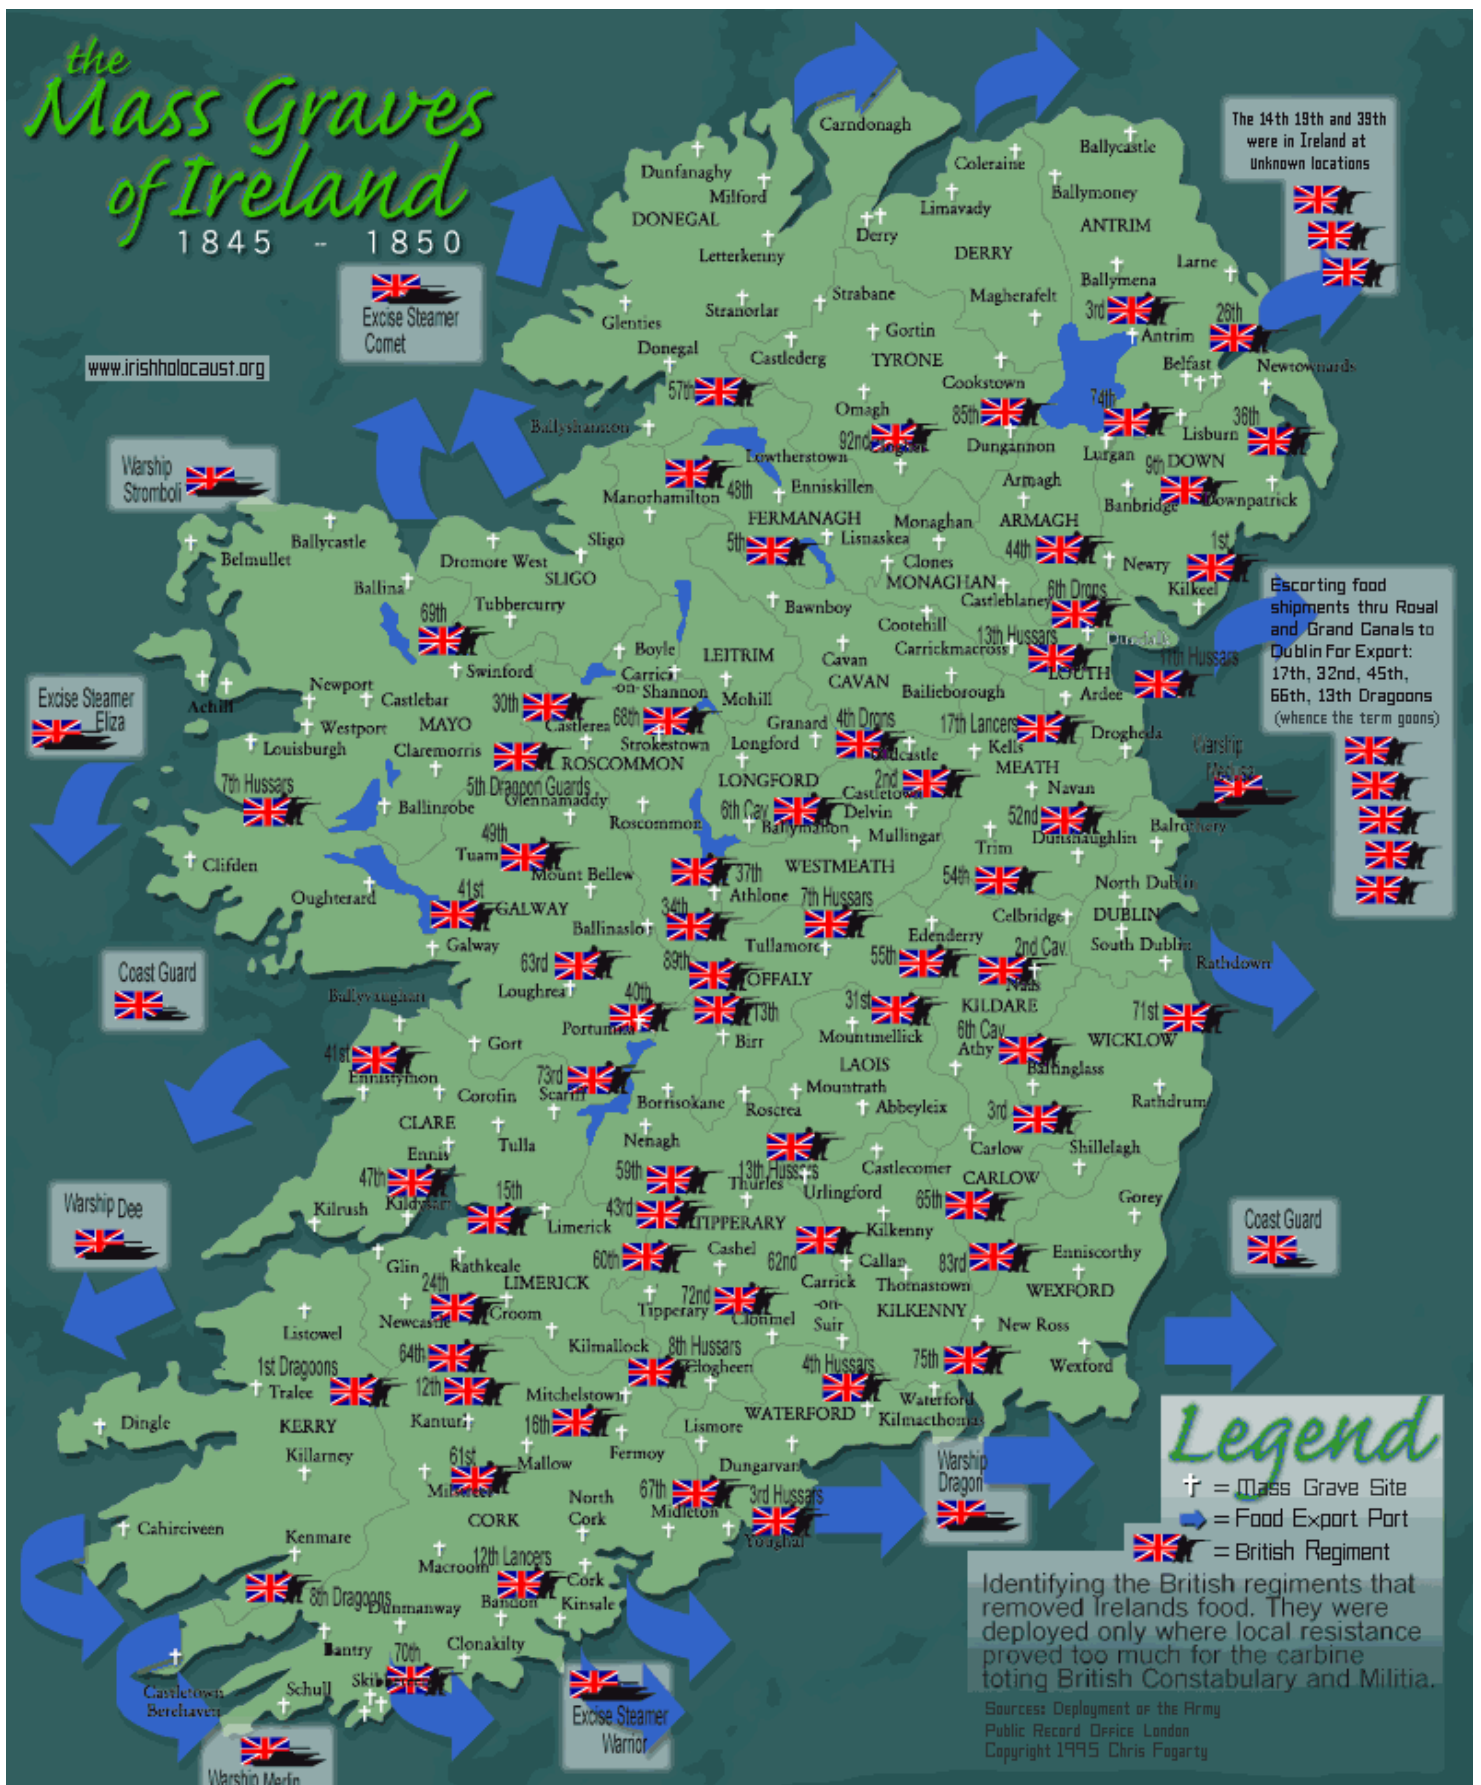

livestock and the crops of your land until you are destroyed. They will leave you no grain, new wine or olive oil, nor any calves of your herds or lambs of your flocks until you are ruined".

The Anglican Slavers did not seek to "govern" but to punish, to plunder, and to murder, their "holy" deuteronomic "missions". The rents they extracted from the Irish were over twice as high as British rents. Anyone who wants to understand the REAL reason for the Ten Irish Holocausts only needs to read these latter verses, which reflect the almost-universal attitude of the Anglican Slavers toward their Irish slaves in the epoch of the Ten Irish Holocausts.

#3 THE FREEMASONIC BRITISH ARMY

The Irish Holocaust of 1845-52 was perpetrated by more than half of Britain's worldwide army (i.e. 67 of 126 regiments) who removed at gunpoint Ireland's very plentiful food, which was enough to feed 12 million people per year in every single year of this Holocaust, which was the biggest, and by far the most shameful, of all the Ten Irish Holocausts. Britain's Freemasonic Army was another cesspool of the genocidal "British Israel" Psychopathy.

Chris Fogarty's now-famous map, the Mass Graves of Ireland, lists the "worthy" British regiments that "served."

#4 THE MURDEROUS ENGLISH MONARCHY

The Irish viewed the English monarch as "the Beast" and despaired of the wholly disastrous reality that the British "worshiped the Beast". The British called their flag the "union" jack, but the Irish called it "the Butcher's Apron".

THE ORIGINAL IRISH "COPYRIGHT" ON THE TERM "HOLOCAUST"

The newspaper Cork Examiner (today called the *Irish Examiner*) already described this premeditated genocide by Britain with the word "Holocaust" in many of its issues, e.g. 4 May 1846; 7 Aug 1846; 22 Jan 1847; 25 Jan 1847; 17 Sep 1847; 1 Oct 1847; 3 Jan 1848; 19 Nov 1855. In the 1840s and after, many Irish writers, such as Michael Davitt, John Mitchel, and others, regularly and continually used the term "Holocaust" to refer to the premeditated genocide of the Irish in 1845-52 by the four Diabolical Entities, also called the London Elites, also called "Team Antichrist".

CONCLUSION

The biggest causes of the Ten Irish Holocausts may have been Deuteronomy and the "British Israel" Psychopathy.

Talmudic warfare has always had three main components: Total War; Collective Punishment; and Human-Sacrifice.

Arguably, Ireland was the VERY FIRST nation to be totally destroyed by "Team Antichrist". In the twentieth century, "Team Antichrist" went on to totally destroy Russia, Germany, China, and others. But the openly published plans of "Team Antichrist" foresee the total destruction of ALL nations, including Britain and even the USA, in very much the same way as was done to Ireland and all the others; because that is PRECISELY what the Talmud commands.

This is an excellent article. What comes to my mind, as I learn from reading such good assessments of British history, is the ruling class of the British does not seem to care a whit for its own people at home or abroad, let alone others.

This article helps explain why this is so, Great Britain is a Zionist occupied government (ZOG) dressed in Anglican church garb. How convenient for the guilty to hide. It also helps explain the East Indies Trading Company, Opium wars in China and the plunder of India.

Are we taught it's the British, when in reality it is not...but rather the same suspects over and over again hiding behind the Union Jack? I fear the USA is now infected with same.

I want to thank you for your articles about world politics, I've learned a great deal from them & I continue to learn a great deal. I studied political science at university & I now realize that I was taught/exposed to both superficial & inaccurate renderings that have no resemblance to the truth.

As well, Globalism was taught as something positive - more propaganda as I now realize (though thank goodness I didn't embrace this ideology). Sometimes the thought crosses my mind that I'd like to visit these professors with some of your info & show them the truth & the facts that Zionists & Zionism is in fact the underlying negative force to much/most/all (essentially) of what occurs globally/nationally & locally.

I value the truth above & beyond whatever my pre-existing viewpoints might be & I've been deceived by the curriculum I was exposed to - including that Communism is a good thing & Capitalism - or rather Corporatism is a good thing, which I definitely didn't agree with, chuckle.

So, again, thank you so very much, you & your writings are truly an oasis for the awake.
